

Better Solutions Begin with Better Alignment

Ashley Hock
Our CEO

At Momentum, we are built on relationships and driven by results.

We are a women-owned information technology and management consulting firm rooted in human-centered principles.

Our work is grounded in trust, accountability, and a commitment to creating meaningful value for the organizations we serve.

Great work starts with great relationships.

Learn about our full scope of services and read our insights at m-inc.com.

Management Consulting

We help leaders make decisions with clarity and turn big-picture thinking into actionable direction.

- Strategic Planning
- Organizational Change Management
- IT Investment Management
- Professional Development Training
- Research and Advisory Services
- Financial Analysis

Process Improvement

We look at how work flows, where it breaks down, and then redesign it in a way that makes sense.

- Business Process Management
- Solution Engineering
- Requirements Management
- Supply Chain Optimization
- Systems Integration
- Reports and Dashboard Design

Project & Product Delivery

We deliver complex work that adds value with strong project discipline and continuous product thinking.

- Project & Program Management
- Agile Delivery Services
- PMO Support & Optimization
- Roadmap & Release Planning
- Procurement & Acquisition Support
- Operational Oversight

Implementation Support

We stay involved through adoption so solutions are not only delivered, but fully understood and used.

- Implementation Management
- Deployment Support
- Connecting Operational Systems
- Software Testing & Quality Management
- Operational Readiness & Cutover Planning
- Long-Term Support

MOMENTUM

3314 Market Street | Suite 100 | Camp Hill, PA 17011 • 717-214-8000 • m-inc.com

We collaborate every step of the way.

For more than 25 years, we have helped organizations solve problems and improve how work gets done. Our team integrates naturally with client teams, and we help support them through every stage: planning, delivery, implementation, and long-term improvement.

Our consultants bring strategic thinking, fresh ideas, hands-on support, and people-first passion to every single engagement.
